

School Bus Ridership Form

The minimum walking distances, one way, for grade levels are as follows:

Grades K-5 = 1 mile / Grades 6-8 = 1.5 miles / Grades 9-12 = 2 miles

Transportation is provided only to and from the nearest bus stop to the eligible student's place of residence and their attendance zone school.

The distance outlined above also applies as the maximum distance a student may walk from their residence to an approved bus stop.

NOTE: Transportation is not provided for out-of-zone students.

The APS District's Transportation Department's mission is to provide students with the best transportation services possible. Our goal is to maintain a sincere and dedicated commitment to the safety of students, employees, the community, and property. We ask for your support to ensure your child's appropriate behavior while riding the bus for the safety of all.
